Breast Enhancement Surgery A Hands-On Experience

This course provides a hands-on introduction to breast enhancement emphasizing the diagnosis and treatment of various cosmetic breast issues. The participants are divided into groups that will have an opportunity to participate hands-on with a procedure of their choice.

- Small groups: a truly rewarding hands-on experience¹
- A truly personal experience that will give you valuable skills
- DVD's of the procedure you performed provided
- Minimize time out of your office: starting Friday night – Sunday
- Tuition \$3500

Physician participants (MD, DO, MBBS or equivalent) must bring their own scrubs and will need to provide a copy of their CV and medical license in order to participate in the hands-on portion.
